

Report From Members with Disabilities Action Committee
(MDAC)
From January 01 until March 30, 2015 Inclusive

February 5, 2015 Elections for this Committee were held with the following results:

Richard Lynn - Elected as Chair

Behiye Cinkilic – Elected as Vice Chair

Marc Masson – Acclaimed as Secretary

Peter Hyduk – Elected as Treasurer

March 2015 – We were informed by our Treasurer that we have \$5,151.00 balance for our budget. Alroy Fonseca provided training on FaceBook. The inauguration of the Pat McGrath Boardroom at 11 Holland Avenue, 1st Floor happened with MDAC volunteers decorating the room, Peter provided the Entertainment and I as Chair gave a speech to honour our dear departed sister. PSAC NCR-REVP and his staff provided the meals, rearranged furniture and invited the guests and members from the other Committees. A very good time was had by all.

MDAC will be involved with other Committees this year for Jam Day (August). For this event we will be purchasing a one-time collection of buttons with a picture of one of our dear sisters who in physical distress and may not make it till Jam Day (our take on a Jamaican Tradition) as a celebration of her life and dedication to MDAC and the Union as a whole.

Our first meal bought on our own (thank you Peter) was a great success (needed a change of the normal fair lately).

We will be looking into promoting MDAC and it's role out into the Unions eyes and ears, so everyone knows we exist, why and that we can help.
