

Annie Noël
Member at Large Report
(August 1 to December 22, 2018)

Fall 2018 has been good for me. Let me share some of my highlights.

September 22, 2018 NCR Annual General meeting (AGM)

I attended the meeting which was held in Ottawa at the Marriott Hotel. The meeting was a good meeting with healthy discussions, networking opportunities and information sharing. Due to the tornadoes that hit the area on Friday September 21, 2018, I was unable to present my fourth Member at large report as we did not have quorum in the afternoon session.

Worker's History Museum (WHM) Board

The committee meets once every other month to discuss the everyday business, funding and the upcoming projects and events of the WHM. They are seeking support from various sources to continue build on the work they have accomplished in the recent years

National Capital Region Council (NCRC) meeting

I have attended 2 Council meetings this quarter (October 1 and December 4). The Council has been working together to create a strategic plan and mobilization strategies to move our Here for Canada and Phoenix agenda forward and many more initiatives.

Regional Committees

I have increased my participation in several committee meetings including Education, OHS, and CRAPO. My participation in these committees helps me support my role as a member at large. As a member of that the Education Committee, I participated at a retreat to create an ambitious 3-year education plan. I am also on the OHS committee Regional OHS Conference Planning Committee working on the planning of the 2019 OHS Regional Conference.

These experiences have pushed me to use my strengths to help the union movement, surround myself with a group of activists with a wealth of knowledge and experiences to make me a better person/member.

Thank you all for this wonderful experience!

Sincerely,

Annie Noël
