

**Mike Chartrand - Member at Large Report**  
**NCR Council meeting**  
**January 1 - March 31, 2016**

The details of my activities for the past year January 1 to March 31, 2016 are detailed below.

I continue to sit as a member of the Men's Action Committee (MASC). In January I attended the NCR council meeting in which the budget was passed. During this period I have communicated with my MP, with my commissioner, and with Justin Trudeau, our Prime Minister to voice my displeasure at the lack of actions in restoring the good faith between unions and the government, as well as restoring the public service as a whole in the eyes of the public. I continue to support the OLG workers who have been locked out and have marched their picket line in solidarity.

As an elected member at large I have committed to represent this region to the best of my abilities. I will and have committed to attend each and every meeting and have briefed my component president on the activities we have and will be undertaking. I continued to serve as an executive of the NCR and participated in varied discussions throughout my term and will continue to serve as an executive and fulfill the requirements of the position until the end of my term and beyond.

In solidarity,

Mike Chartrand
