Treasurer Report
PSAC NCR 2018

On January 1, 2018 I moved into the Treasurers position. It was a very hectic time, what with Christmas holidays and the PSAC office move, a meeting with Greg McGillis and Claudine Prophète was not possible.

In March, I attended the PSAC NCR Retreat. We had a guest speaker, Nancy Bedard. She is the President of 75,000 health care professionals, 31 unions. She discussed how their demands were met by not 'demanding' but by 'Union by proposal'.

On Sunday, we worked in groups and laid out a Strategic Plan going forward to help Unions achieve healthy membership relationships.

We held our Executive Committee meeting on Sunday afternoon, before everyone boarded the bus home at 3:15. Cory Beauregard was elected Alternate Treasurer.

I attended the NCR Executive meeting on April 3.
