**PSAC NCR A/REVP Activity Report for period Jan 1-March 31, 2018 NCR
Regional Council Meeting — Spring 2018**

These past few months have not brought much of anything forward in my role as A/REVP. It has been a challenge to meet or speak with the REVP given his packed schedule.

Despite that, I was tasked with organizing teams for the ACORN trivial Beersuit fundraiser. The NCR was able to organize and send two teams to the March event! The feedback received was positive and we look forward to taking part next time.

In March, I ran the election at DCL Local 76000 AGM. I acted in an official capacity of REVP during Greg's absence. It was an impressive turnout and participation by the members.
