

Behiye Cinkilic - Member at Large Report

NCR Winter Council Meeting

January 30, 2016

June 2015 – January, 2016

I was elected in June 2015 as a member at large. As I was not yet assigned a portfolio to work on, I have continued my efforts to participate in the activities of the regional committees such as Education, Women's, RVAC, Communication, Health and Safety, MDAC, OAC and Regional Executive in various capacities as a member, member of the executive and as an observer.

In August 2015, I represented RVAC and MDAC in Jam Day activities. I participated in pre-election home and telephone canvassing activities. I was a member of the organising committee of the Education Committee for the Union School which took place in November-December 2015.

I am looking forward to receiving a specific portfolio to concentrate and extend my efforts in a more specific area.

In Solidarity,

Behiye Cinkilic
