

## Members with Disabilities Action Committee (MDAC) Report

### NCR Regional Council — Winter 2018 (January 27, 2018)

#### **September 23, 2017 – December 22, 2017**

Since its last reporting for the NCR Regional Council meeting of September 23, 2017, MDAC held one meeting on December 7, 2017 during which discussions on how to work well together, how to be efficient and what activities would benefit MDAC members as a whole were discussed.

As chair, I participated in the Disability and Work in Canada National Conference for a half-day on November 28, 2017 and also participated in PSAC 2017 Leadership Training between November 30 and December 3, 2017, which was followed by the PSAC National Human Rights Committee meeting between December 4, and 5, 2017.

MDAC committed to working together with RVAC to celebrate both the December 3rd, International Day of Persons with Disabilities and the December 10 International Human Rights Day on December 10, 2016, but this celebration could not be realised in the year 2016. To pursue its commitment, MDAC actively participated in the organisation and the celebration of December 10 International Human Rights Day in collaboration with RVAC and other equity and regional committees. The event took place on December 10, 2017 and received appreciation by all who participated.

MDAC is planning to organise other educational and member engaging activities in the year 2018.

In Solidarity,

Behiye Cinkilic
