FOR

Sept 1 to December 31, 2017

This report covers from September 1 to December 31, 2017 as requested by the PSAC NCR Office .

RVAC remains committed to supporting all racially visible members who come to us; we are working with members to ensure they exercise their rights and consider all options available to them during this period of uncertainty in the Federal Public Service. We continue to push for information on the impact and seek out resources that can help our members to cope. We are also committed to lending community outreach whenever we can.

RVAC held our regular monthly meetings for for September, October, and December 2017.

Many members from RVAC has attended the PSAC National Leadership Training which was held on November 30 to december 3rd atthe Westin Hotel in Ottawa. It was a good training and It will be a good thing if this training is available for all members of PSAC.

RVAC in partnership with the NCR equities committees has held the PSAC 2017 Human Rights Day event at 233 Gilmour Street, Ottawa. It was decided at the last minutes to hold the event but it was a successfull event.

RVAC will team up again with the NCR Equities committee to hold on March 21st an activity to recognize PSAC NCR members contributions by helping the members who are in need and their dedication to the union cause.
