

## **MEMBERS WITH DISABILITIES ACTION COMMITTEE (MDAC) ANNUAL REPORT FOR NCR TRIENNIAL CONVENTION, JUNE 2023:**

The membership continues to grow and be action oriented. Opportunities to host awareness campaigns that are intersectional and inclusive are being planned and organized soon, such as National Accessibility Week (NAAW), Disability Employment Awareness Month (DEAM) & International Day for Persons with Disabilities (IDPD).

Opportunities for a purple ribbon campaign ensues with recognition and celebration of Persons with Disabilities (PwD) internationally, all year long and not just on IDPD.

Education around the Accessible Canada Act (ACA) and its ability to empower this community in the workplace and society is an opportunity for all.

It's our time, let's do it!!

Thank you,

Karen Kenniphas
