

PSAC NCR CONVENTION LATE RESOLUTION #1

TITLE: PSAC BUSINESS CONTINUITY PLAN

ORIGINATOR: UHEW 70712 & UHEW 70008

LANGUAGE OF ORIGIN: E

WHEREAS during the early stages of the pandemic, there lacked clear direction, guidelines on procedures or safety measures for the PSAC and its Components;

WHEREAS the PSAC and Components had different measures and guidelines in place without consistency;

BE IT RESOLVED THAT the PSAC develops a standard Business Continuity Plan (BCP) with a clear and detailed guidance for its Components and Locals during emergency situations;

AND BE IT RESOLVED THAT PSAC have a dedicated area in the Business Continuity Plan for the Health & Safety of Union Officers at all Union Events and how to deal with injuries or other emergency situations.

AND BE IT RESOLVED THAT this BCP be reviewed by the PSAC Health and Safety National program yearly.

COMMITTEE RECOMMENDATION: Concurrence

The committee agrees that there is a need for clear direction, guidelines on procedures and safety measures for the PSAC members at PSAC and Component events. If adopted, this resolution would be submitted to the PSAC National Triennial Convention.

Diane Girouard and Rubin Kooner excused themselves from the discussions.
