MDAC QUARTERLY REPORT FOR NCRC OCT 7TH

MDAC has had a productive year thus far with several projects on the go and much participation across all equity seeking groups, the OAC and the triennials, conferences and NCRC winter, AGM and fall meetings.

MDAC will pursue the celebratory intersectional event on Accessibility in early December in conjunction with all interested equity seeking groups, the OAC, and any other entity in the NCR that would like to be a part of this inaugural opportunity for MDAC. Please contact the MDAC mailbox should you want to reach out prior to some communiques that will be distributed in early fall.

MDAC's AGM will be held in February 2024 putting this community back on track in line with the average AGM timeframe across the NCRC.

At this time, I'd like to thank the Executive members who have stuck together this past year with such inspiration, motivation, and continued leadership especially over the next 6 months to come.

This community's membership also deserves accolades for their commitment, perseverance, and resilience in stepping up through active participation and recruitment/retention.

Congratulations to all NCRC members for a job well done throughout the strike and during these unprecedented times.

Look forward to much intersectionality and inclusivity, indefinitely.

Happy autumn!

With much thanks and gratitude,

Karen Kenniphaas
MDAC Chair
