

**REPORT OF THE PSAC NCR TREASURER
JUNE - AUGUST 2023**

Members and union colleagues,

First and foremost, I want to thank everyone for your confidence in me to represent this region throughout the next cycle. I also want to congratulate the new Finance Committee members on being elected at the PSAC NCR Triennial Convention:

- Christine Griffin
- Christian Smith
- Patricia Pichette
- Rasha Al-Naqeeb
- Rubin Kooner

Since the June 2023 PSAC NCR Convention, there has been very little activity for the NCR Treasurer, as the largest majority of staff at the Gilmour office was away on leave. Furthermore, there were very few committee meetings over the summer months.

As you know by now, the NCR office is now setup with a new software for the finances of this region. I still haven't been able to meet with them to go over the finances, due to their summer leave and workload. Once we have met, we will finally start compiling our own reports to present to the NCR committees, as well as presenting a report at the next NCRC Council meeting.

Finally, I am looking forward to our first PSAC NCR Executive meeting, as this is where we will elect the Alternate Treasurer and start planning our Finance Committee meetings!

Respectfully and in solidarity,

Diane Girouard
