

Pride Committee

Summer – Fall 2025

Submitted by: Lydia Picknell, Chair

Overview

PSAC NCR's Pride Committee had a very busy summer, as summer is packed with Pride events throughout the National Capital Region and beyond. We participated in Capital Pride in August alongside the OAC; having one of the most photographed floats with our trolley car. Pride held a sign making event in the week leading up to Capital Pride, with the homemade signs being a highlight of the entire weekend and becoming a talking point. Our Pride Chair is part of the 2026 PSAC National Equity Conference Steering Committee and has been planning the Equity Agenda for May 2026. We will be seeking to re-do our bylaws in the last quarter of the year before the AGM in February.

Meetings
