

## Ottawa Area Council

Summer – Fall 2025

Submitted by: Lydia Picknell - Director, Ryan Ward - Treasurer

### Overview

The Ottawa Area Council (OAC) has continued to support the National Capital Region and its membership through two major events this summer. We collaborated with the Pride Committee, participating in the Capital Pride Parade, with a successful and stand-out float. The OAC also celebrated Labour Day, where we marched alongside our community partners culminating in a large family-friendly BBQ where we set up a booth for both members and the community to understand the major issues effecting PSAC members and workers. Several members of our OAC executive and membership have taken part in various rallies to represent our members rights, lobbying our Members of Parliament, and actioning workplace informational picket lines regarding Workforce Adjustments and austerity programs being implemented across the Capital Region.

### Meetings

May 2025 Executive Meeting

July 2025 Executive and Membership Meetings
