

Separate Employers Representative Report

June to October 2025

Submitted by: Ryan Ward

Overview

I'd like to begin by thanking everyone for electing me to this position at the June 2025 AGM. I'm very excited to have this incredible opportunity to serve in this capacity for my two-year term. Following the election, I requested information from the Regional Executive Vice-President's office about logistics to host a separate employer conference. This includes what potential venues can we use to host the event, what is required to host it virtually and in-person at the same time, and all of the financials needed to put it on.

In addition, I have been attending several meetings of various Committees and Area Council, and I'm working on an accessibility mandate to work on within the National Capital Region. Between now and my next report, I plan to provide details, and a conference will be planned out by the time of my next report.
