### Overview

The primary work that I'm engaged in with this position is a separate employer conference that is currently in the works. A staff person has been assigned to work with me on a hybrid conference that is realistically going to take place in fall 2026. There will be a venue for about 100 members and an unlimited number of members will be able to tune in virtually as well.

**Conference Budget:** \$9,000 (\$3,000 for 2025, 2026, 2027)

**Amount Spent:** \$0 to date
