Session Descriptions

Debrief

An opportunity to reflect on the previous day's training, share key takeaways, and discuss outstanding questions. Participants will identify opportunities to apply what they have learned to their work on the NCR Council Executive.

REVP Office Supports and Political Priorities

An overview of the role of the REVP Office in supporting the NCR Council Executive, including available resources, coordination, and communication. The session will also explore current political priorities, emerging challenges facing NCR members, and opportunities for the Council Executive to contribute to regional mobilization and advocacy.

NCR Council Finances

A review of the NCR Council's financial position, budget priorities, and spending practices. Participants will discuss financial oversight, accountability, and how available resources can best support PSAC-NCR members.

Strategic Planning Session

A facilitated session to examine the NCR Council's mandate, assess current priorities, and identify opportunities to strengthen its work. Through discussion and collaborative exercises, participants will begin developing shared strategic priorities that reflect the needs of members and the Council's role within the region. Participants will work toward translating strategic priorities into concrete objectives, actions, and expected outcomes. The session will focus on identifying next steps, responsibilities, and opportunities for collaboration to guide the Council Executive's work over the remainder of its mandate.
